

Dear Supporters,

With construction, land, and infrastructure costs continuing to rise, your support has never been more vital to helping local families achieve strength, stability, and self-reliance through shelter.

At the same time, we are experiencing an increase in applications for our critical home repair program—serving seniors, veterans, and persons with disabilities on fixed incomes who simply need a safe, livable home. These needs stretch our resources, but we are committed to meeting them with the help of generous community partners like you.

To make it easier and more impactful for our supporters to give, we are excited to introduce our Annual Sponsorship Program. This is your opportunity to make one gift, once a year—and in return, receive recognition and benefits across multiple Habitat events and platforms throughout the year.

By becoming a Champion, Leader, or Supporter sponsor, you'll be supporting affordable housing and home repairs across Ottawa County while proudly positioning your business or organization as a champion for local families.

On the reverse side you will find a flyer outlining the sponsorship levels and benefits. If you have any questions or are ready to get involved, please contact me at 419-734-7074 ext. 4 or [community@habitatottawacounty.org](mailto:community@habitatottawacounty.org).

We would love to partner with you this year. Thank you for helping us build homes, communities, and hope.

With gratitude,

Valerie Winterfield
